Sports Laundry Care Products

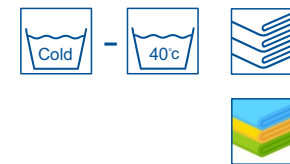

Sports Laundry

Your hard work out sweats can create a more acidic pH in workout clothes and can be a breeding ground for germs and bad smell along with deep stains. So washing it out with special laundry detergent is crucial for fresh and clean hygiene. Urba Sports Laundry Detergent is specifically formulated to clean sportswear. Designed with anti stain, odour and germ fighting formula this heavy duty detergent deeply cleanses and removes stains, harmful germs and smell from clothes. It can be used in all water temperatures and is compatible with traditional and high efficiency washers. Make this affordable addition to your laundry room to get ready for your next workout. It can be safely used on protective sports padding, gloves, braces, and equipment that needs to be washed.

Application Rate : Add 50-100 mL to the wash cycle, depending on load size.

How to Apply : Add to the detergent compartment.
